GROUPS

Children are put into “coloured” groups with children, who are of a similar age. (& we run our ‘JNR’ and ‘SNR’ timetable of activities)

The number of groups that are running each day depends on how many children attend that day. For children who attend every day, if the number of groups that run each day changes, it might mean that their “coloured” group changes from what they were previously in, but they will hopefully be with their friends of similar ages.

FRIENDSHIP GROUPS

If your child has a friend that they would like to be grouped with, please mention it to the check in team at drop off and we will do our best to group them together (if they are the same age/similar age). Plus, it is always a good idea to tell your child to tell a member of staff at camp that they want to be with a specific friend.

RECEPTION CHILDREN

Reception children need to complete an ‘All About Me’ form, to allow us to find out more about them before attending. Please bring this along with you. (The link to the form will be found in your booking confirmation email).

KEEPING YOU UP TO DATE

We love to share regular Holiday Camp Newsletters with families at the end of each Camp. Also you will receive a “What have I done today?” email, so that you know what your child has done during their time with us.
